POWER IN THE HANDS OF A FEW™

2011 SALEEN S302

2011 SALEEN S302

The Saleen S302 represents the latest chapter in the proud Saleen legacy. With 425 naturally aspirated horsepower at the driver's command, and a superbly balanced and tuned chassis, the S302 rewards the serious driving enthusiast with a total performance experience like no other car.

Available in both coupe and convertible body styles, the S302 boasts an impressive array of standard equipment, including a Saleen Performance exhaust system, Saleen Racecraft suspension, and Saleen 20" Speedstar wheels.

The striking Saleen Design interior is a feast for the senses, featuring tailored leather and Ultra-Suede trim, a distinctive Piano-Black center console and the signature Saleen leather-wrapped shifter.

Truly, the stunning S302 is the American Exotic – providing an uncompromising combination of performance, substance and exclusivity.
