

1984 SALEEN MUSTANG SPECIAL EDITION

DEALER DROP-SHIP ORDERING PROCEDURE

This procedure is in place for the convenience of the Ford Dealer in ordering the SALEEN MUSTANG to his or his customers specifications. The procedure provides for ordering the cars in a normal fashion through the computer system or manually. The Dealer is billed for the car by Ford, retains all delivery documents, keeps the holdback and so on as in normal fashion. Saleen AutoSport bills the Dealer direct for the conversion.

To Order:

1. Submit the order to the factory in your usual fashion through the computer system or manually. Be sure to include the minimum equipment required on the SALEEN MUSTANG and specify shipment to Zone/Dealer code 72G-448, Henry Curtis Ford.

Minimum equipment required on the SALEEN MUSTANG:

- * P28 or P28-602 Body Style (3-door L or LX Sedan)
- * 99M 5.0 L 302 C.I.D. Engine

Equipment that should not be ordered on the SALEEN MUSTANG:

- * 954 Paint treatment, Lower Tu-Tone
- * 525 Speed Control

2. Contact Saleen AutoSport immediately with factory order number. (707) 578-7933.
3. Saleen AutoSport will invoice you for the conversion. The invoice can be presented along with the factory invoice to your financial institution if you wish to floor the entire cost of the car.
4. A \$60.00 flat fee for the Pre-Delivery Inspection work will be included on the invoice as well. This allows the ordering Dealer to retain all PDI and Delivery Documents.
5. Upon receipt of funds, your SALEEN MUSTANG will be completed and released for shipment.
