580 N. BERRY STREET • BREA, CALIFORNIA 92621 • (714) 255-0191

We at Saleen Autosport are very pleased to present the dealer information contained herein. It is intended to assist you in your understanding of our ordering and delivery procedures. Saleen Autosport is a recognized bailmont pool with Ford Motor Company, and as such we do have vehicles available for purchase by your dealership. It is necessary, however, for us to allocate our pool availability to those dealerships willing to drop ship vehicles to us. Our system works like this:

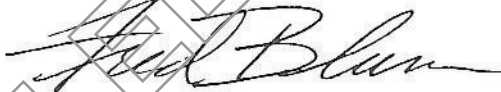

Upon placing an order with the Order Processing Center for three Mustang LX chassis to be drop shipped to Saleen Autosport, we will then provide you with the opportunity to purchase one Saleen Mustang from our pool. You may receive another Saleen Mustang for each additional order of three chassis you drop ship. The maximum number of pool vehicles available to any one dealership is three. Your drop ship orders will be given priority in production and delivery.

I hope you find that the contents of this guide answers your questions regarding the ordering and delivery procedures for Saleen Mustang. However, if you encounter any questions please feel free to call me or one of our capable staff.

Operations Manager:	Phil Hubbard
Production Manager:	Lee Stauffacher
Accounting:	Ingred Osborne
Warranty:	Jim Moore

Once again, I would like to thank you for your continued support.

Sincerely,

Fred M. Blum
National Sales Manager

1988 SALEEN MUSTANG SPECIAL EDITION WARRANTY POLICY AND PROCEDURES INFORMATION

The warranties in effect on each Saleen Mustang are as follows:

- * Ford Motor Company New Car Warranty, in effect on all unaltered components.
- * Manufacturer's Warranty and Saleen Autosport Warranty on components used on the Saleen Mustang.

The Saleen competition wing, air dam, side and rear skirts are warranted to be in deliverable condition when the car is delivered to the Dealership. Due to the exposure of these parts, it is not warranted beyond the delivery inspection. Any warranty claim on the above mentioned parts MUST be noted with the driver of the transport company AND called in to Saleen Autosport by the next business day.

Ford Motor Company's New Car Warranty is the primary warranty on the 1988 SALEEN MUSTANG. All claims on the unaltered portions of the car should be made to Ford Motor Company in accordance with approved warranty and policy procedures.

ALL CLAIMS RELATING TO THE SALEEN MUSTANG CONVERSION AS INSTALLED BY SALEEN AUTOSPORT MUST RECEIVE PRIOR APPROVAL BEFORE REPAIRS OR REPLACEMENT COMMENCE.

To facilitate "HASSLE-FREE" handling of these claims, Saleen Autosport has put in place the following warranty procedure: HASSLE-FREE consideration for warranty approval may be received by calling the following number and stating the Ford VIN number, the Saleen plaque number and the mileage:

SALEEN AUTOSPORT 1-213-694-4922

We will discuss the problem with you and determine the appropriate course of action. We will then VERBALLY authorize any approved repairs and issue a WRITTEN WARRANTY AUTHORIZATION as a follow-up. This written authorization MUST accompany your repair order to be paid. Attached you will find a sample warranty repair authorization for review.

TRANSPORTATION CLAIMS SHOULD BE DIRECTED TO THE CARRIER. All deliveries should be made during normal business hours and signed delivery receipt obtained from Dealership personnel.

Be sure that each SALEEN MUSTANG received at your dealership is properly inspected at the time of receipt, and that any damage is noted on the delivery receipt.
