1989 Saleen Autosport Marketing And Merchandising Program

Saleen Autosport will support its dealer network with an aggressive marketing and merchandising campaign for 1989. Included in this program will be a year-long advertising schedule in many prominent automotive publications featuring four different ads. Those ads include one on the Saleen Mustang, one with the Saleen Sportruck, a third showing the new Saleen Mustang SSC and a fourth grouping the standard Saleen Mustang and Saleen Sportruck with the company's Indycar in the background. In 1988, Saleen Autosport featured the ad "Power in the Hands of a Few" in several national publications including Motor Trend, Auto-Week, SportsCar and Super Ford, as well as race programs at tracks where the Saleen Autosport team competed.

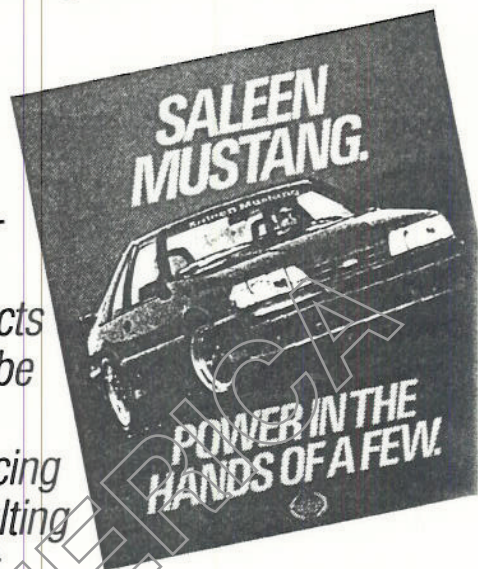

Racing will continue to play a major role in Saleen Autosport's overall marketing program for 1989. Included in this venture will be a continuing effort in the Escort Endurance Championship with the

team's Saleen Mustangs, the Coors Racetruck Challenge, featuring the Saleen Sportruck, and the most ambitious program, a front-running effort in the PPG

Indycar World Series. A merchandising program encompassing Saleen Autosport products and apparel will be incorporated in each of these racing campaigns, resulting in major product promotion and exposure.

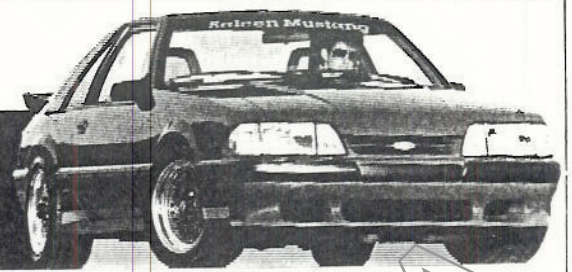

Saleen Autosport also will produce a bi-monthly newsletter "The Fast Lane" that will be sent to owners of its vehicles, to dealerships, sponsors, members of the media and other interested parties to keep those interested in the company and its products up-to-date with important information. This newsletter was created as part of the membership package for the new Saleen Autosport owners' club, the Saleen Vehicle Owners of North America (SVONA).

As a participating Saleen Autosport dealer, you will receive the incremental benefits of this comprehensive program, as well as the store identification materials on the following page. Together, these and the Saleen Autosport apparel available to you at a discounted rate, will enhance your own marketing and advertising programs surrounding the Saleen Autosport vehicles to be sold at your dealership.
